- Cloud Platforms: Studying Google Cloud fundamentals
- Web Technologies: Responsive Design, REST APIs, DOM Manipulation, Modern Front-End (Flexbox, Grid)
- Tools: Git & GitHub, VS Code, Chrome DevTools, NPM, Webpack (familiar)
- CMS: WordPress (custom theme/plugin development)
- Other: Debugging, Agile Collaboration, Test-Driven Development (bootcamp), Documentation

PROJECT HIGHLIGHTS

Solitaire Game Web App
Midland University Bootcamp

- Led full lifecycle development of an interactive Solitaire card game using JavaScript, HTML5, and CSS3—from design to deployment.
- Wrote clean, testable code and maintained thorough documentation of game logic and features.
- Designed a responsive UI and implemented drag-and-drop functionality for a seamless user experience.

GIF Search & Save Web App
Midland University Bootcamp

- Built a React-based web app to search and save favorite GIFs using a public API.
- Practiced state management, API integration, and component-based architecture.
- Prioritized code quality, maintainability, and user experience.

PROFESSIONAL EXPERIENCE

Doordash Driver
Lincoln, NE | July 2022 – Present

- Delivered orders efficiently while providing excellent customer service and communication.
- Managed time-sensitive deliveries independently, demonstrating strong time management and adaptability.
- Took initiative in troubleshooting and resolving delivery challenges independently.

Data Entry Clerk
Temporary Government Contract | July 2021 – Nov 2021

- Performed accurate data entry for visa applications, maintaining confidentiality and compliance.
- Gained low-level security clearance and experience with process-driven workflows.

Dining Service Associate

Abel Dining, Lincoln, NE | Aug 2017 – Nov 2020

- Trained new staff and maintained high standards in a fast-paced, team-oriented environment.

EDUCATION

Coding Bootcamp Certificate, Software Development

Midland University, 2025

Bachelor's in Psychology

University of Nebraska–Lincoln
