SUMMARY

Enthusiastic and adaptable web developer with hands-on experience in JavaScript, React, HTML5, and CSS3, gained through a rigorous coding bootcamp. Adept at building and maintaining web applications with a focus on code quality, collaboration, and user experience. Strong communicator and fast learner, passionate about technology and eager to contribute to a creative, process-oriented team. Committed to continuous learning and ready to grow in a hybrid agency environment.

TECHNICAL SKILLS

- Languages & Frameworks: JavaScript (ES6+), React, Node.js (basic), PHP (familiar), HTML5, CSS3
- Web Technologies: Responsive Design, REST APIs, DOM Manipulation, Modern Front-End Techniques (Flexbox, Grid)
- Tools: Git & GitHub, VS Code, Chrome DevTools, NPM, Webpack (familiar)
- CMS: WordPress (basic custom theme/plugin development)
- Other: Debugging, SASS (familiar), Agile Collaboration

PROJECT HIGHLIGHTS

Solitaire Game Web App
Midland University Bootcamp

- Developed a fully interactive Solitaire card game using JavaScript, HTML5, and CSS3.
- Implemented game logic, card shuffling, move validation, and win/loss detection.
- Designed a responsive UI for seamless play on desktop and mobile.
- Leveraged DOM manipulation and event handling for drag-and-drop functionality.

GIF Search & Save Web App
Midland University Bootcamp

- Built a React-based web app to search and save favorite GIFs using a public API.
- Practiced state management, API integration, and component-based architecture.
- Ensured mobile responsiveness and intuitive user experience.

WordPress Portfolio Site *(Personal Project)*

- Customized a WordPress theme and implemented custom post types for project showcases.
- Gained experience with PHP templates, plugin configuration, and site deployment.

PROFESSIONAL EXPERIENCE

Doordash Driver
Lincoln, NE | July 2022 – Present

- Delivered orders efficiently while providing excellent customer service and communication.

- Managed time-sensitive deliveries independently, demonstrating strong time management and adaptability.

Data Entry Clerk
Temporary Government Contract | July 2021 – Nov 2021

- Performed accurate data entry for visa applications, maintaining confidentiality and compliance.
- Gained low-level security clearance and experience with process-driven workflows.

Dining Service Associate
Abel Dining, Lincoln, NE | Aug 2017 – Nov 2020

- Trained new staff and maintained high standards in a fast-paced, team-oriented environment.

EDUCATION

Coding Bootcamp Certificate, Software Development
Midland University, 2025
Bachelor's in Psychology
University of Nebraska–Lincoln
